I certify that, in obedience to article 69 of the Regulations, I have made diligent inquiries for the Ordnance and Ordnance Stores, referred to in Maj Gen Price's invoice accompanying my fourth quarterly return of 1863, which Ordnance Stores have not reached my post after a lapse of 15 days; and that the loss or mis carriage of said Stores, as far as can be ascertained, must be attributed to the following circumstances, viz

Two of the Boxes of French or British Minutite were received from the W & M R.R. Co. in very bad order and three (3) of the said Minutite being short of No. 10 round, must have been lost or stolen in transit from Salem Mass. to this Post.

Major

I have the honor to state for the information of the Genl. Commanding that the stock of ammunition on hand in Dept is getting very small. There is only 11,000 lbs of powder and 10,000 lbs of Columbiad powder and 10,000 Cartridges adapted for the Enfield Rifle small. I cannot make any more hand grenades having no fuzes for them. The Enfield Rifle is still buried in the cave and I cannot issue the requisition in consequence of a very large quantity of stores both for the line and the Artillery had been issued for the week. I would respectfully suggest that some of the Ordnance Officers be ordered to turn in Enfield Rifles (say about 600) and replace them with muskets.

Very respectfully,
Your obedt Servt

I would respectfully call your attention to the fact that a great many arms have been lately turned in to the Arsenal from different Commands but there are very few ramrods with them. It will cost at least

from 25 to 3 dollars to make ramrods and there is very little material to do it with. I would suggest that a search may be instituted in the trenches of the different Commands and possibly a great number may be recovered.

Very respectfully
Your Obedt Servt

J. B. Rice
M.D. and Dep. Asst. Dir.

I would ask that an order may be given to me to get some Higgins wire which is laying about town. It is said that it may be suitable for manufacture. Priming wire of which there are none in hand.

Return Dept. Ordnance Bureau

Chatham & Co. Leat

Herewith I enclose you back papers of
the Dept for 2nd or 3rd Quarters 1862 connected with the vouchers of 'Allen
& Co' and 'Bedding' were wrong simply in the cost per pound of the articles
paid for by the fact, that at the time these papers were written my office
was being visited by the Enemy's shells, destroying in one instance the Dept and I fear
that a similar case is not surprising considering what exciting moments were passed
during the siege, the figures as carried out are correct. The Extra Duty Pay Roll of
was supplied by Major W. M. Mathews you will find in the last entry on Abol Disbursements
and the difference in the Disbursements of Officers is accounted for by the payments
of 2nd for the extra duty, vouchers for which are enclosed with the vouchers of 'Co' for
the same. I did not enter in the Abol of disbursements because I did not receive the
same until Sept. last. The third item and same Pay Roll missing were
sent at the end of each month except of which was acknowledged with the return of
of the 'Co' of 10 of 100 for the 1000 the commanding officer
of which I had to settle by order of Genl Pemberton, on July 14th 1862
I ordered me to destroy the Government funds I had, I paid this \$2000 instead
of the 'Co' which is on file with my papers in the Ordnance Bureau. The Semat and
Kenshul were seized by order of Genl Pemberton to save them from falling into the
hands of the Enemy. it would be impossible for me to collect the money many
of the faction being dead and in the Funds Mfr. Department. I explained
this matter to Genl George last year when in Richmond.

General

Jackson Oct 24. 1861

Doctor Warren Brichell, of New Orleans, lately escaped from that City, arrived here a few days since, in conversation with him he expressed a willingness to follow his profession here, for the Government -

Doctor Brichell has resided in New Orleans several years, native of this State - was visiting Physician at the Charity Hospital New Orleans & Professor in one of the Medical Colleges at New Orleans. There are several of his students in the Army & Navy at this post, one having charge of the Dept & Army & Navy Hospital, those knowing him have a very high appreciation of his abilities as a physician. He kept a large practice in the City chiefly amongst rich and most respectable families, he is a gentleman of excellent habits & reputation in every respect. His good energy of character and would do much good here, and plenty of work - with the view of this, and knowing that the Chief Surgeon in one of our Hospitals died a few days ago - I beg to ask a consideration of Doctor Brichell in connection with filling the vacancy.

Very Respectfully

GEN POINDEXTER

New Orleans
Nov. 21. 61

Dear Sir
In connection with the
suggestion of the Union that
certain may be valuable. In
times like the present all sug-
gestions must be reasonable and
practicable. The suggestion
of the suggestion which at
the present time of this time
is the package of gun boats
and transports down the river
the suggestion is efficient
construction in a stream of
property so is they inconsistent
Why cannot rafts (ordinarily
rafts of timber), the logs of which
are tied together by flat iron
bars and heavy spikes, be used

=chord in the stream opposite
 the fortification as in this
 rough diagram, and thus, with-
 out materially interfering with
 the current, afford at least the
 means of retaining any hostile
 craft before the batteries.

The anchor chains might be fast-
 ned underneath the logs, so as to
 check the progress of the enemy's
 skiffs by them. In fact, they
 would give high places of vantage
 by on the banks a few times in
 the run. — One mile up the
 stream these obstructions may be
 of some service.

With apologies for interrupt-
 ing you in your labors,
 I am most respectfully,
 Yrs. obt. serv.

Sir

On the 28th Decr. last I forwarded my
resignation. (Of which the enclosed is a copy) but
not having heard anything from it, I fear that in
the confusion consequent upon the various moves of
that Army the papers have been overlooked or mislaid,
and never reached you, my health being yet very
delicate and no prospect of improvement sufficient
to enable me to resume my duties before summer.
The Surgeons advise me to send copy of papers -
direct to the Dept. It is not my intention to
abandon the Service, in which I have been
enlisted for two years, but as soon as my
health will admit to seek some other position
more suited to my condition. I am unwilling
to remain in pay of the Gov^t when I can render
it no service, hence my anxiety.

Respectfully
Yours Son

I certify, on honor, that I have carefully compared the above "abstract" with the original returns now in my possession, and find that they amount to

ration of fresh beef, <i>Twenty three</i>	ration of flour, <i>Forty five rations of meal</i>	ration of hard bread, <i>One hundred and five</i>	ration of pork, <i>Twenty four</i>
ration of coffee, <i>One hundred and five</i>	ration of sugar, <i>One hundred and five</i>	ration of vinegar, <i>One hundred and five</i>	ration of rice, <i>One hundred and five</i>
ration of soap, <i>One hundred and five</i>	ration of salt, and <i>Twenty pounds Lard.</i>	gallons of molasses; and that the purchases, amounting to <i>Three</i>	ration of candles, <i>One hundred and five</i>

Since the 25th July 1861, you
Brigade Quarter Master in Missouri and Arkansas, and
since my arrival in Kentucky. (Nov. 1st 1861), the Quarter
Master for this Division of the Army, with only the
rank and pay of a Regimental Quarter Master -
The Brigade Quarter Master of your Army out rank
me, though the position I hold is above theirs, and
from me they receive their instructions.

I have hesitated mentioning this subject to you
heretofore, because it had reference to myself alone, but
respect for myself, and the position I occupy, without
rank, compels me to present the subject for your
consideration, and ask a recommendation for an
Major Commission.

Respectfully,
Yours truly,

Major

The Quar. M^r Genl has authorized me to establish a clothing depot at this place, and to place the same under your supervision. It being important that we should gain all information possible for the prompt and economical management of the concern, an examination for the purpose of the details and workings of the departments of the Clothing establishment at Richmond, Va. under the charge of Major P. Waller Q. M. would not be amiss. You will therefore proceed at once to Richmond Va and make a careful and complete examination of the workings of that establishment. After completing the object of your visit, you will return to this place via Knoxville Tenn. and stop at Dalton Ga. and examine the quality of the button said to be made at a factory there, and if suited to the wants of the depot here to contract, if to be had on fair terms, for one month supply with privilege of further period if required by the Govt.

No record has been found of a man named Henry Bridges, who served as Major in the Texas Cavalry and on the Staff of General Steven D. Lee.

The records show that one Henry H. Bridges, Captain, Co. I, 6 Regiment Texas Cavalry, Confederate States Army, enlisted September 12, 1861, at Dallas.

Master roll for July and August, 1862, shows him promoted to Lieutenant Colonel August 1, 1862, and assigned to Stirman's Regiment Sharpshooters, Confederate States Army.

He was severely wounded in right arm at Battle of Corinth, October 3-5, 1862.

About September or October, 1862 the Regiment was broken up and this Officer became Lieutenant Colonel of the 1 Battalion (Stirman's) Arkansas Cavalry, Confederate States Army.

He subsequently appears to have become a Major, Provisional Army Confederate States, and to have served under General S. D. Lee.

He was wounded February 4, 1864 near Belton Depot, Mississippi. No later record has been found.

Sir,

I received orders
some time since to proceed to
Macoydoches and examine the Staff
Spts. between Houston and that place
and see that the orders relating to
detailed men and Citizens liable to
Cinconscription were enforced.

I have performed the duty
and now wait further orders.

In executing the above order I
found several delinquents which I
succeeded in clearing out for duty
in the field. The Enrolling officer
for Cherokee Co is wholly unfit for
that office - His name is D.P. Leiby -
He does nothing and yet he has a
deputy who is a very stout young
man, both of them ought to be
ordered out. If I had orders to
hunt delinquents in Fort Meade &
Major's Counties I could scare
up not a few. I shall await
orders at this place. Your obt servt

I received yesterday a communication from you, bearing date Dec 5th 1860 addressed to me as Agent and A. S. 3drd Regt, enclosing an abstract of annual returns for the year of Dec 1st 1860. I regret that I did not receive it earlier as I might have had the returns all properly arranged.

On escaping from Fort Donelson I came by my house in Texas, and having to pass through the enemy's lines I considered it safer to leave my papers than which I did.

I consequently have no duplicate vouchers of which I believe I have. I hope that you will have my returns from October 1862 examined as fast as possible that I may have an opportunity of correcting any errors that may be in them.

I was not on duty from the place of Donelson until October following. I learned my funds at Council in May 1862 and

impossible to preserve the proper discipline

This year, having with repeated

Glad to hear that the Camp is big

be able to accompany the company with

"My staff rendered very efficient service
on the field. They were much exposed to the
enemy's missiles, Ball, shell, grape, & bullets,
but unfortunately all escaped untouched except
Capt. Price who was stricken senseless to
the ground by a grape shot, which had
passed through a shell just in front of him, by which he will be disabled some time.

"My staff Lt. Briggs A. D. C. of Lt. Kenna

the entire action & were more exposed of people

displaying coolness & gallantry of the highest

expenses. I am giving you references & testimonials,
as to Character & Capacity, that will be perfectly
satisfactory to you.

If the Government needs funds abroad,
I am willing to loan it \$5000. if the property is
all saved, or a proportionate sum of what is
saved.

I hear the honor
to report myself on duty here at the Hospital
opened night before last by request of Surgeon White.
Immediately after the Battle of Winchester I was
detached from my Regt. to take charge of
the Casualty Hosp. at Winchester. Was subsequently
sent in charge of sick & wounded to Mt. Jackson
Harrisonburg, Staunton, and from thence here.
Surgeon White represents Jackson's Div. & myself
Evarts and each of us have our corps of Hospital
attendants. Although ranking 5th White by senior
months by an arrangement between us he is in
charge. The reason of this comes to Lynchburg
for stimulants. Whiskey and Brandy - of which
we are in urgent need. I was not aware that
any change had occurred in your position since
departure. In haste I am Sir

Point Jefferson Monmouth Pa. Louisiana
March 4th 1862 -

Dear Sir

My son I Henry Bingham
wishes the appointment of Major in a Regt. of independent
Companies recruiting. If this cannot be done
then he wishes to get authority from you to raise a Batt-
alion which he thinks he can do - Dr. George H. Roberts
wishes the appointment of Surgeon in the same Regt.
with my son, has acted as assistant surgeon in the 1st Regt.
Regt. nearly all the time since our troops have been
in Arkansas having been transferred to that Regt. - and
to the entire satisfaction of officers & men - My son
Volunteers in the Monmouth Guards Capt. Henson
was elected 2nd Lieut. the Company was mustered into
service in May last & forms part of the 3rd Regt.
La. Volunteers, Col. Herbert Commanding - Mr. Bullock
Division. Very soon after mustering my son was
appointed Adjutant of the Regt. & served in that capacity
for several months to the satisfaction of all, finding
the duties of the office prevented his studying & preparing
for all the duties of any officer, he thought best to
resign & assume his former position in the Company
on the day of the battle of Oak Hills he was detailed to
take charge of the Baggage & Stores - I refer you to

to the report of Col. Herbert of the battle for the manner
in which he discharged the duties of that important trust.
He has a good education being a graduate of Con-
-tucky College in this state & afterwards a student
in the University of Virginia in the higher branches
his Military education has been met? by actual
service in the Army & from books. he proposes to
continue in the service as long as the war lasts
I feel sure he would acquit himself with credit
in the position desired. He is now during the
absence of Capt. Hardiman acting Quartermaster
of the Regt. I refer you to Senator Semmes of
our state as to his qualifications & standing -
we are passing through a fiery ordeal, may
God give us liberty - I have given five sons
to the Confederate service -

Truly your friend

Genl. H. Brigham

P.S. My son is now with 3rd Regt. La Vol. in Ark.
where you can address him if any thing is done

Dear Sir

Your kind
 letter has been recd and would have been
 answered immediately as I intended it should
 but for the delay in Genl. Foxhall signing

 He has been out of the city for a time and

 it without his signature and trust you
 will overlook the delay as it was not intended.
 The letter from the Gulf has been for-

I recommend for the office
of Commissary at Mobile John B Bright of that
City. He was appointed as a commissary in
March or April last, upon recommendation from the
Military and Commissary officers at Mobile
upon your recommendation, with orders to
report to Genl Butler. The President supposes
that he was intended to be a division
commissary & did not present his name
to the Senate, as I am informed. He is
a man of integrity, fidelity & strict business
habits. I think you could hardly find
a better opportunity.

Commy Genl indicates a misapprehension of the fact

the case. — On receiving the Holmes complaint I
referred an officer to investigate into it and to report to me
with the necessary information and redress was called for. He
had confirmed the complaint. I referred the papers
Bright for an explanation. His explanation did
not satisfy me. I then for I gave all the
papers to the case to the Judge Advocate of the Military
Department, and ordered charges against Bright to be framed
pending that a proof of his means in that court would
conclude a trial for a long time. I sent down the papers
to the Judge Advocate, before any
charges had been taken on them, and forwarded
the War Department with a recommendation
Bright's nomination be withheld from the
disrecommendation was dropped. Soon after
another earnest appeal from the Holmes
which she stated her wrongs in an affidavit of
substantive facts and charges. She alleged she had
to that time received just compensation for her property
transmitted this paper to the War Department. She
was recommended along at the time Bright was
sent from the south of the Army. He had then been
promoted as a Captain by the Senate. — This was returned
approved, on the ground that Bright had "disfranchised"
charges against him, and that it was not proper to
of officials who would be reached by a Court martial.
then sent the enclosed paper. — There never has
any investigation of this matter by any Court.
things before these papers were received at my office. The

Manwry, & have the appointment of J. H. Bright as A. & S. revoked - which are respectfully submitted, with the following suggestions viz. The charges in question were preferred against J. H. Bright while on impressing agent, & before his promotion to Office, & on this account the charges were submitted to a Court of inquiry before which J. H. Bright does not appear to have been heard in person, nor was he confronted with his accusing witnesses, as both the law & justice require, but being subsequently served with a copy of the charges & proceedings of said Court, & being required to answer to the same, J. H. Bright responded in form & fact, quite satisfactory to this Bureau & to the Secy. of War, Genl. Manwry states in the within letter, that he "believes Bright was guilty & therefore he cannot believe any statement he would make" Now it is well remembered that J. H. Bright's defence in this matter did not rest upon his own statements, only so far as was corroborated by the sufficient evidence, & of this fact Genl. Manwry is well advised, and he has pointed

By none of these does it appear that J. H. Bright is "an untrustworthy man" but by these the charges against him are already "refuted", & his "charges" (sufficiently) "vindicated" - & it is respectfully suggested further, that the publication of these facts may be effected as well, at least, by having the proceedings, above alluded to, read at Drums Parade, as by expressly arranging an officer before a court martial to answer for conduct prior to his promotion to Office, especially since he has already once responded to the matters charged in a satisfactory manner, & too since this mode of publication will be attended with less expense. There is no aspect in which the petition to have Capt. J. H. Bright court-martialed can be viewed, in which, such application, in point of justice may not be successfully resisted.

The undersigned, members of Congress from Tennessee, respectfully commend to your favorable notice the Hon. Small Bright of Tennessee, for the office of Assistant Secretary of War. Mr. Bright is a gentleman of the highest order of integrity & moral worth - is an able and experienced lawyer and politician, highly the confidence of the people of his state. He has been more zealous in our cause & more hopeful under all our reverses. It is my duty to suggest that his high business qualifications, irreproachable integrity, energy & force of character eminently qualify him for the duties of the office. Sir,

I take pleasure in recommending John M Wright of Lincoln County Tennessee for appointment to the Judgeship made vacant in Lt. General Hardin's Corps Court by the death of Col Andrew Ewing. Genl Wright was appointed Inspector General of the State of Tennessee in the fall of 1861 and performed efficient services in the organization of the troops of that State, and since that State has been in the possession of the enemy he has been a refugee in the South exerting all of his energies in aid of the Confederate Cause.

He is a gentleman of high character a lawyer of long experience and ability and would discharge the duties of the position referred to with credit to himself and profit to the Government.

In the beginning of the Revolution Genl Wright was one of the earliest, most

earnest and influential advocates of
separation and Southern independence.
He has passed the military
college and is physically unable for service
in the field but he is in every respect
competent, and worthy the position
of thought and we hope you may
find it consistent with your sense
of duty to appoint him.

Genl. A. Cooper A. & S. Genl

General.

I have the honor to
communicate that Robt A. Bright, a volunteer
upon the staff of Major General Pickens, is appointed
1st Lieutenant in Company "B" 83rd Regiment.

The gallantry and good conduct of this gentleman, as
witnessed by you during the operations of this division,
against Suffolk last spring, his behavior in the face
of the enemy has several times since then come under
my observation. On one occasion, with a few men he
bravely collected the pursuit, harassed, and drove back
some 500 a band of rebels, who had invaded the
camp of King William. His services in the recent
campaign in Maryland & Pennsylvania, have been
of a like useful and conspicuous character. The company
in which I recommend him, has but one officer now with
it, and that an inferior one. The Captain (A. H. Gray) who
was appointed on my recommendation by the Genl. Staff
is now a prisoner in the enemies hands, as is the 2nd Lieut.
The enclosed copies of the proceedings of Examining Board
will show that the 1st & 2nd Lieuts of this company are not
competent, nor qualified for promotion. I am, Sir, respectfully etc

I think none of them applicable to me, unless it
is Paragraph I of General Order No: 118 of A. & J. G. O.
of Sept. 1. 1863, I therefore beg leave to report, that
in obedience to written orders from you and
Col. Barker Smith in charge of "Tax in kind" I came
here on 14th of December 1863, and have been
since constantly employed in collecting forage
for and transferring it to Officers of A. N. V. author-
ized to receive it, and that up to - day I have
gathered and bought, and delivered the follow-
ing quantity - to - wit -

(74,095) Seventy four thousand & ninety five pounds of grain.
(33,715) Thirty three thousand, seven hundred & fifteen pounds of long forage.

I find enough grain and forage in the
country to keep me profitably employed.

General

From my long experience in purchasing
leather for the Government, I take the liberty
of making some suggestions to you as to
the best and most certain manner of
securing and always having on hand
a large supply of the above indispensable
article, that you may take such action
thereon as may be deemed most proper
for so desirable a purpose; for you
are aware that from the effective blockade
of our ports by the enemy, that we must
in the future look on by to our necessities
for Army supplies -
I have now the supervision of some (10)
tanneries, which are working on
Government account, and the Tanners
in which are regularly detailed, and I
know that they can "finish" a much larger
quantity of leather than they have in their
plants, if permission is granted me to
purchase or improve the leather which
may find in the large number of
tanneries in Va. where the owners of them
have been taken into the Army and no one

consequently, haven't it alluded to them.
There is too much of all the tan & hide
in the country - leather belonging to the Govt,
which no official seems to know any thing
about, having (the hides) of tan been left
there on a hurried march and on account
taken of them, and no report made of their
locality - and in visiting them you can
none learn the quantities of the public and
private stocks in them - and I have
no doubt but that a considerable amount
of Government leather in unauthorized
hands might by an examination of
Tanneries, be got there, which will
otherwise be lost -
Then too, the detailed Tanneries could
be finishing the leather they found
belonging to the Government and that
that might be purchased, while
the stock in the country is tanning,
provided it is removed to their Tanneries,
for one can see & can finish
upward of (1000) skins & have a good
hide a year - and some of the tan
works under my supervision have
capacity sufficient to tan that
number of hides -

A considerable number of the ... might
be gotten near the enemy's line and removed
to safe localities, to be finished, who can be
always wanted be available at the ...
"The clothing department could thus, if the
plan which I have suggested, the outlines
of which are given, be adopted, be
always supplied of the exact quantity of
leather - it would receive for ...
and make it continue to go on the working
up the same accordingly. We all
know the great advantages of the combination
labor and having one experienced head
to direct and control it.

It will be necessary for me to have
three wagons and harness, which can be
transferred to me by the Q. M. S. Department
or be purchased, if the authority is given
by you, in order to remove the private
leather I may purchase or the Govt.
leather I may find to the ...
worked as aforesaid, because it
is impossible to get transportation from
individuals.

Houston Texas

Sir:

Doct. Butler

Surgeon of our Regt has to-day rec'd an order
from the Army Medical Board to attend examination
at Houston on the 26th inst or as soon thereafter as he
is able.

The Doct is now in charge of his own
Regt the Post Hospital a Company Cavalry & the
Small Pox Hospital and there is no Surgeon here to relieve
him. Under the circumstances and with the consent of
St. Col Griffiths Comd Post I have directed him to remain
on duty here until further orders, which I hope will come
with the approval of the General Comd and proper
authorities ~~with~~ the Board.

The Doct is anxious to submit
to his examination and would wish to do so at the present
time if I felt that justice to the sick under his
charge would permit ^{him} to go. In many
of the cases in Hospital, one actually existing. Could
a Surgeon be sent to take his place for the time he might
go; but then there might be a question as to the policy
of changing Surgeons during the existence of the disease
we now have, the one present being made familiar with
the case and progress, must be more successful in its
treatment.

That this may reach you as early as possible
I forward in duplicate, one by way of Galveston & one
by way of Beaumont.

I have the honor to be
Very Respectfully Yours
